Fluoridation of Mathoura & Moama Filtered Water Supplies – Extension of Time

Murray Shire Council advise that fluoride will be added to the Mathoura & Moama filtered water supply within the next two months.

People with a medical certificate from a registered medical practitioner stating that the person has been examined by him/her and cannot consume fluoridated water because of medical concerns can apply for a Reverse Osmosis undersink filter to be installed. The timeframe for this has been extended.

Applications in writing accompanied by the certified medical certificate must reach the Mathoura Office before **4:00pm on Monday 22nd February 2010.**

Further information can be obtained from Council on 03 58843400.
